PERSONAL PROFILE

An independent self-starter front-end developer who uses her curious mind, attention to detail and persistence to innovate and solve problems in order to build intuitive and accessible websites and applications. With 20 years of experience in working as a graphic design and marketing freelancer, I bring the ability to critically evaluate information, make decisions, accept criticism and feedback, and work effectively with people. I am looking to explore new opportunities that help me grow as a developer.

SKILLS & TECHNOLOGIES

- HTML5, CSS, SCSS
- Responsive Design
- JavaScript (ES6+), jQuery and React
- Working with RESTful APIs and Firebase
- Website accessibility requirements
- Version control & collaboration using Git and GitHub

EXPERIENCE

FREELANCE WEB DESIGNER AND MARKETER (1999-2021)

Brazil, Canada

- Engaged with hundreds of small business owners and managers, uncovering their needs and suggesting marketing and graphic design ideas as well as WordPress functionalities and website solutions.
- Worked both individually and with hosting support teams to troubleshoot WordPress and server issues for clients.

FREELANCE WEB DESIGNER, EDITOR-IN-CHIEF, MARKETER (2009-2021)

OiCanada Digital Magazine, Canada

- Developed the magazine from scratch and reached a substantial average of 100,00 page views per month in 2016, having published more than 1,500 pieces.
- Created several designs over the years, keeping up with innovative ideas, and customized WordPress themes to match the magazine's brand guidelines.
- Engaged with several advertisers, understanding their campaign goals to help them promote their businesses to the magazine's audience and generate leads through banner ads, paid content, landing pages, email marketing and social media marketing.
